SECOND REQUEST UNDER 37 C.F.R. § 1.323
FOR CERTIFICATE OF CORRECTION

A second request is being made for a Certificate of Correction under 37 C.F.R. 1.323 in the above-identified patent. This second request is made pursuant to the 37 C.F.R. 1.323 for a correction of applicant's mistake identified below.

A first request for correction under 37 C.F.R. 1.323 was filed on April 14, 2009 with payment of the fee set forth in 37 C.F.R. 1.20(a), together with a request for correction of applicant's mistake and Form PTO/SB/44 identifying the correction. However, applicant received notification by letter dated May 18, 2009 that the first request was considered under the provisions of 37 C.F.R. 1.322 (for correction of an Office mistake) and not under 37 C.F.R. 1.323 (for correction of an applicant's mistake).

Applicant respectfully requests reconsideration of the Request for Certificate of Correction filed April 14, 2009 under 37 C.F.R. 1.323 for correction of applicant's mistake. The above-identified patent issued with the following error that is clerical in nature:

Col. 12, Line 49 of the Patent:
“the inductive **primary** having” should be “the inductive **secondary** having”

Enclosed is the original Certificate of Correction Form PTO/SB/44 identifying the requested correction. Applicant submits that this correction does not constitute new matter or require reexamination. The fee of \$100 for correction of applicant's mistake set forth in 37 C.F.R. 1.20(a) was remitted on April 14, 2009 by EFT contemporaneously with the filing of the first Request for Certificate of Correction. Applicant wishes to note with appreciation Examiner Henry Randall's remarks that remittance of an additional fee under 37 C.F.R. 1.20(a) is not required with this request.

Respectfully submitted,

DAVID W. BAARMAN

Privacy Act Statement

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (i.e., GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
